Products specification Potato Flakes 12,5kg

General Information

General Information

Product description	Potato flakes with additives, long shelf life.
Process description	This product is made of potato slivers, a side-product from french fries production. The potato slivers are mashed, mixed with additives and fildried. Thereafter the product is packed.
Potatoes - comment	The processed potatoes are purchased from approved suppliers who meet local laws and regulations, are certified for GLOBAL-GAP and/or Dutch VVA, QS-GAP or IKKB certificate for potatoes and comply with strict quality criteria of Aviko.
Brand	blank
Article number	804947
SF-number	830167

Legal Requirements

GMO statement

Hereby Aviko declares that none of our products, produced, packed, delivered and sold are genetically modified. None of the ingredients contain any genetically modified organism. No biotechnology or processing agents produced by means of gentechonology have been used during production. The product complies with the European non-GMO regulation (EG) nr. 1829/2003 and 1830/2003.

Pesticides statement

Aviko declares that the products supplied by Aviko are conform to relevant legislation currently in force in the EU. Pesticides used shall be conform to the EU approved list and not exceed the MRL's, defined by the EU, in the finished material supplied.

Heavy metals statement

Aviko declares that all supplied products are conform to the EU-legislation and that they do not exceed the heavy metal tolerances defined by the EU.

Other requirements

Sampling

In case of arbitration a lot is judged by taking a lot sample, per packaging. Normally, max. one lot sample is taken per two pallets. One lot consists of several pallets of at least 2 different shift dates. The lot samples are being mixed to one compilation sample. From this compilation sample a sample of 1 kg is taken to judge the quality.

Quality Management Systems

The production location where this article is being produced, has a quality management system that is certified to a GFSI recognised scheme. In case of a BRC certification at least B grade is required, for an IFS certification at least Foundation Level.

Disclaimer

This specification is based on the moving average, with the help of methods of analysis from Aviko laboratories.
