

Product Information Sheet

Product: Monopropylene Glycol USP/EP
Product code: 2322014

In an attempt to maintain continuous supply and a competitive position we have more than one approved source for this product. Therefore, we are unable to provide manufacturer specific documentation. We can however confirm the information listed below:

This product is a petrochemical product, and its manufacturing process does not include any raw materials, additives or process aids with animal or vegetable origin.

Therefore, we can expect the product to be free from,

- Bovine Spongiform Encephalopathy (BSE)
- Transmissible Spongiform Encephalopathy (TSE)
- Genetically Modified Organisms (GMO)

We also confirm that the above-mentioned product is not produced or treated with ethylene oxide. At no stage during production and filling does the product come in to contact with ethylene oxide.

This product meets the maximum impurity requirements laid out in the current USP monograph for levels of ethylene glycol & diethylene glycol.

We also certify that our product does not contain allergenic ingredients that are mentioned in 2011/1169/EG.

We also hold statements for those listed below:

- Vegetarian and Vegan Suitable
- Kosher
- Halal Suitable

Typical Nutritional Values For Pure Monopropylene Glycol	
	Typical Values Per 100g
Energy	310 Kcal 1300 KJ
Carbohydrates	100 g
Which sugars	0 g
Proteins	0 g
Lipid	0 g
Saturated fatty acids	0 g
Salt	0 g
Fibre	0 g
